

Puckhead Hockey Club Exclusive Member Benefits

- **FULL 90 MINUTES OF PLAY FOR EVERY GAME**

Puckhead Hockey Club (PHC) is committed to bringing its members a full 90 minute game every time. This is 30 minutes longer than a league game and 20 minutes longer than the other clubs.

- **GUARANTEED GOALIES EVERY GAME**

With over 85 Goalies in the membership, we never play a game without 2 goalies.

- **PAY ONLY WHEN YOU PLAY**

Being part of this Club means you only pay when you play, if you can't make a game, just cancel under the terms of the cancellation policy and there is no fee.

- **FREE PERSONALIZED HOME AND AWAY JERSEYS FOR EACH MEMBER**

Each member receives their first set of jerseys free. You can customize your jerseys with your name, a number or other approved verbiage.

- **FREE SKATE SHARPENING AND SPECIAL MEMBER PROMOTIONS FROM BTM**

BTM has agreed to provide free skate sharpening to PHC members. This will be done on a scheduled basis and each member will get 4 per year (value \$40) there will also be many special offers available only to PHC members.

- **MULTIPLE WEEKLY GAMES AND RINKS TO CHOOSE FROM**

PHC currently has 10 games per week at three Rinks, Gilbert, Arcadia, and Ice Den. This does not include the special games such as tournaments and Jobing.com games we offer during the Coyote season. I will continue my efforts to establish new games at other rinks such as Chandler, Oceanside, and Peoria.

- **PREMIUM SKATE TIMES NOT AVAILABLE TO LEAGUES OR PICK UP GAMES**

I work very hard with each Rink to try and capture the best possible times for our skates. I try balance supply and demand for each game to make sure we have enough but no too many games at any given time.

- **COMPETITIVE AND SKILL MATCHED GAMES**

Each member is asked to rate their own skill level as they register and then I further refine that rating after watching them play a few games to ensure that each member is placed on a line for which they are most compatible. Games are typically very balanced but quickly adjusted if not.

- **EARN FREE GAMES OR MERCHANDISE AS YOU SKATE THRU THE POINT SYSTEM**

Each member of the Club will accumulate 1 point for each game he / she skates. These points can be used toward free games or merchandise such as new jerseys, water bottles, hats, t-shirts and more.

- **EARN FREE GAMES FOR REFERRAL OF NEW MEMBERS**

Each member will earn a free game for the referral of a new member. There is no limit so the more friends and family members that join, the more you skate for free.

- **DESIGNATED “FAMILY FRIENDLY” SKATES ON SUNDAY AND THURSDAY EVENINGS**

We do run two games simultaneously on Thursdays and Sundays which gives me the ability to create lines where true beginners and / or family members young and old can enjoy the sport together.

- **HUGE DISCOUNTS ON COYOTE TICKETS**

Due to the volume of tickets our club purchases each season (over 1,200 per year), we have special access to significantly discounted ticket prices exclusive to Puckhead Members. You will be able to click a link right on the Puckhead website to get your discounted tickets.

- **NO FIGHTING OR LEAGUE HOCKEY BEHAVIOR**

Puckhead Hockey Club is about the game, having fun and meeting new friends. I believe you can have healthy competition at all levels without all the angry stuff and without the constant risk of injury that is present in other games.

- **ACCESS TO PUCKHEAD / COYOTE GAMES AT JOBING ARENA**

Every season Puckhead Hockey Club, The Coyotes Organization and Jobing.Com team up to bring you the opportunity to play on NHL Ice. We try to do around 15 games per season.

- **FREE NETWORKING / REFERRAL SERVICE FOR BUSINESS OR PERSONAL**

As a PHC Member, you are given free access to the Network / Referral Service for which you can advertise and promote your own businesses. I ask each member to do their best to use fellow members for goods and services first.

- **EXCLUSIVE AND PROPRIORITY “BUDDY SYSTEM”**

The Buddy System is designed to notify you when one of your Buddies has signed up for a game so that you too can have the option to sign up to play with them in that game. It also helps me to make sure that I get you on the same lines if possible.

- **FULL ACCESS TO THE MOST USER FRIENDLY WEBSITE IN PRIVATE CLUB HOCKEY**

I am constantly working with our web developer to bring you the easiest and most efficient website possible. I always welcome your recommendations.

- **SHARE AND PROMOTE YOUR FAVORITE CHARITABLE CAUSE THRU THE CLUB**

We are working on a forum that will allow each Member to post and promote worthy causes such as charity events, hockey news and events or just information that one would like to share with their fellow members.

- **3 GAME TRIAL PERIOD WITH NO MEMBERSHIP REQUIREMENTS**

If you are from out of town and can only play a couple games a year with us while you visit family and friends you will not have to pay a membership, this feature is also good for those who want to try out the club but are not ready to commit to a paid membership.

- **PHC “WELCOME” CARDS FOR EVERY MEMBER TO HELP PROMOTE THE CLUB**

I will have cards available to any member that would like to have them to pass out to potential new members. Remember, a referral to a new member gets you a free game!

- **CONTINUED PERSONAL DEDICATION TO GROW AND IMPROVE THE CLUB**

The continued success of this club takes a personal dedication of my time. I do still very much appreciate your Real Estate referrals but I am not actively seeking those transactions outside of referrals. My time is dedicated to the members of Puckhead Hockey Club.

- **CLUB DISCOUNTS FOR OUR LOCAL JUNIOR A, AND ASU GAMES**

My goal is to help promote Hockey in the Valley at ALL levels and I believe with the size of our membership we have the power to make a difference. I am working with administrators at all levels to provide discounts for games to Puckhead Members.

- **PERSONALIZED MEMBERSHIP CARDS FOR EACH MEMBER**

Each member will receive a new membership card annually. This card will be used to verify your membership and provide you with a growing list of features and club benefits.

- **SKATE FOR FREE ON STAND-BY**

In an effort to make sure our games are always full to capacity I offer a free skate to any member who shows up to a game on stand-by. This means that the member must have already been on the wait list, not called to move up to the active roster, and show up to a full game. If there is a no show that member skates for free, if there is not a no show, that member does not skate that game.
